

ATFLIR

Advanced Targeting Pod

The most advanced pod on the market.
Precisely.

Raytheon's Advanced Targeting FLIR is the best performing, most reliable targeting pod available today. Its unmatched technical advantages enable aviators to perform their missions, in the harshest conditions, with maximum efficiency and security. ATFLIR's plug-and-play performance allows for easy installation, and seamless operation, across multiple platforms, with enhanced interoperability with coalition forces. By incorporating the latest technology while allowing for future upgrade and enhancement, ATFLIR ensures continued aerial dominance.
