

Part 1:

Accredited Body Point of Contact information:

Name of Certification Body: NQA, USA, Name:
Kevin Beard, President
Address: 4 Post Office Square, Acton, MA 01720
Phone: (800) 649-5289
Email: kbeard@nqa-usa.com

Part 2:

A copy of the official certification from an approved ISO 9001 certification body can be found on the following page.

LOCATION OF REFERENCE INFORMATION

See certificate 10021 on page 1 of 12 of this pdf for details.

Certificate of Registration

This is to certify that the Quality Management System of:

Raytheon Company

870 Winter Street
Waltham, MA 02451

(Central function listed above. See appendix for additional locations)

applicable to:

Raytheon Company is a technology and innovation leader specializing in defense, security and civil markets throughout the world. Raytheon engages in design, development, manufacture and life cycle support providing state-of-the-art electronics, mission systems integration and other capabilities in the areas of Air and Missile Defense; C4I; Cybersecurity; Electronic Warfare; Intelligence, Surveillance, and Reconnaissance; Naval Solutions; Radar Systems; Space Solutions; Training.

has been assessed and approved by
National Quality Assurance, U.S.A., against the provisions of:

ISO 9001:2008 and AS9100C

and in accordance with the requirements of AS9104/1:2012.

For and on behalf of
NQA, USA, 4 Post Office Square,
Acton, MA 01720

Certificate Number: 10021

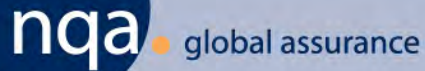

EAC Code: 19

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021
870 Winter Street
Waltham MA 02451
United States of America

Raytheon Company is a technology and innovation leader specializing in defense, security and civil markets throughout the world. Raytheon engages in design, development, manufacture and life cycle support providing state-of-the-art electronics, mission systems integration and other capabilities in the areas of Air and Missile Defense; C4I; Cybersecurity; Electronic Warfare; Intelligence, Surveillance, and Reconnaissance; Naval Solutions; Radar Systems; Space Solutions; Training.

Raytheon Company

Certificate Number 10021/1
401 Jan Davis Drive
Huntsville AL 35806
United States of America

Engages in design, development, and life cycle support providing defensive and offensive weapons for air, land, sea and space. Capabilities include Air and Missile Defense; Electronic Warfare; Space Solutions; Naval Solutions; Intelligence, Surveillance, and Reconnaissance.

Raytheon Company

Certificate Number 10021/2
H-100 Wilson Road Highland Park
East Camden AR 71701
United States of America

Engages in manufacture and life cycle support providing defensive and offensive weapons for air, land, sea and space. Capabilities include Air and Missile Defense; Electronic Warfare; Space Solutions; Naval Solutions; Intelligence, Surveillance, and Reconnaissance.

Raytheon Company

Certificate Number 10021/3
1151 East Hermans Road
Tucson AZ 85706
United States of America

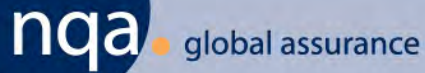

Engages in design, development, manufacture, and life cycle support providing defensive and offensive weapons for air, land, sea and space. Capabilities include Air and Missile Defense; Electronic Warfare; Space Solutions; Naval Solutions; Intelligence, Surveillance, and Reconnaissance.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021/6
2000 El Segundo Boulevard
El Segundo CA 90245
United States of America

Engages in design, development, manufacture, and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

Raytheon Company

Certificate Number 10021/7
1801 Hughes Drive
Fullerton CA 92833
United States of America

Engages in design, development, and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/9
6380 Hollister Avenue
Goleta CA 93117
United States of America

Engages in design, development, manufacture, and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

Raytheon Company

Certificate Number 10021/10
75 Coromar Drive
Goleta CA 93117-3090
United States of America

Engages in design, development, manufacture, integration and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021/13
8680 Balboa Avenue
San Diego CA 92123
United States of America

Engages in design, development, manufacture, integration and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/15
16800 East CentreTech Parkway
Aurora CO 80011-9046
United States of America

Engages in design, development, integration and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/18
7401 22nd Avenue North
St. Petersburg FL 33710
United States of America

Engages in design, development, and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/19
1010 Production Road
Fort Wayne IN 46808
United States of America

Engages in design, development, and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021/23
350 Lowell Street
Andover MA 01810
United States of America

Engages in design, development, manufacture and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/24
225 Presidential Way
Woburn MA 01810
United States of America

Engages in design, development, and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/27
1001 Boston Post Road
Marlboro MA 01752
United States of America

Engages in design, development, integration and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/29
528 Boston Post Road
Sudbury MA 01776
United States of America

Engages in design, development, integration and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021/30
50 Apple Hill Drive
Tewksbury MA 01876-0901
United States of America

Engages in design, development, integration and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/30
880 Technology Park Drive
Billerica MA 01821
United States of America

Engages in design, development, integration and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/32
19859 Highway 80
Forest MS 39074
United States of America

Engages in manufacture, integration and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

Raytheon Company Canada Limited

Certificate Number 10021/39
400 Phillips Street
Waterloo ON N2J 4K6
Canada

Engages in design, development, integration and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021/40
1847 West Main Road
Portsmouth RI 02871
United States of America

Engages in design, development, manufacture, and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

Raytheon Company

Certificate Number 10021/42
6000 Lemmon Avenue
Dallas TX 75209
United States of America

Engages in manufacturing, providing defensive and offensive weapons for air, land, sea and space. Capabilities include Air and Missile Defense; Electronic Warfare; Space Solutions; Naval Solutions; Intelligence, Surveillance, and Reconnaissance.

Raytheon Company

Certificate Number 10021/43
13510 North Central Expressway
Dallas TX 75243
United States of America

Engages in design, development, manufacture, and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

Raytheon Company

Certificate Number 10021/44
1200 South Jupiter Road
Garland TX 75042
United States of America

Engages in design, development, integration and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company

Certificate Number 10021/47
2501 West University Drive
McKinney TX 75070
United States of America

Engages in design, development, manufacture, integration and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

Raytheon Company

Certificate Number 10021/53
22270 Pacific Boulevard
Sterling VA 20166
United States of America

Engages in design, development, integration and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/53
22260 Pacific Boulevard
Sterling VA 20166
United States of America

Engages in design, development, integration and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/53
23011 Ladbrooke Drive
Sterling VA 20166
United States of America

Engages in design, development, integration and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

First Issued: February 13, 1995

Raytheon Company

Certificate Number 10021/53
22110 Pacific Boulevard
Sterling VA 20166
United States of America

Engages in design, development, integration and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/57
302 Science Park Road
State College PA 16803-2214
United States of America

Engages in design, development, and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/60
6201 Strawberry Lane
Louisville KY 40214-2962
United States of America

Engages in design, development, manufacture, and life cycle support providing defensive and offensive weapons for air, land, sea and space. Capabilities include Air and Missile Defense; Electronic Warfare; Space Solutions; Naval Solutions; Intelligence, Surveillance, and Reconnaissance.

Raytheon Company

Certificate Number 10021/62
7887 Bryan Dairy Road
Largo FL 33777
United States of America

Engages in design, development, manufacture, integration and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Raytheon Company, National Business Park (NBP)

Certificate Number 10021/63
300 Sentinel Drive
Annapolis Junction MD 20701
United States of America

Engages in design, development, and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/64
6260 Guardian Gateway
Aberdeen Proving Ground MD 21005
United States of America

Engages in design, development, and life cycle support providing radars and sensors for aircraft, spacecraft, and ships. Capabilities include Intelligence, Surveillance, and Reconnaissance; Electronic Warfare; Radar Systems; Space Solutions; C4I; Cybersecurity.

Raytheon Company

Certificate Number 10021/65
2120 South 72nd Street
Omaha NE 68124
United States of America

Engages in design, development, and life cycle support providing cybersecurity products and services, a full range of training, space, logistics and engineering solutions. Capabilities include Intelligence, Surveillance, and Reconnaissance; Training; Cybersecurity; Space Solutions.

Raytheon Company

Certificate Number 10021/66
Building 894 Naval Undersea Warfare Center
Keyport WA 98345
United States of America

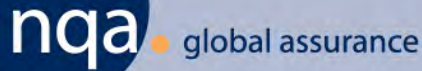

Engages in manufacture and life cycle support providing air and missile defense, and producing large land and sea based radars, C4I, air traffic management systems, sonars, torpedoes and electronic systems for ships. Capabilities include Air and Missile Defense; Radar Systems; C4I; Naval Solutions; Space Solutions.

First Issued: February 13, 1995

Valid Until: April 29, 2017

Reissued: May 1, 2014

Site Structure: Multiple Sites

Certificate of Registration

Appendix to Certificate Number 10021

Includes Facilities Located at:

Thales Raytheon Company

Certificate Number 10021/67
1801 Hughes Drive
Fullerton CA 92833
