

# WHY DO CLIENTS CHOOSE RPS? WE PUT UNDERSTANDING FIRST.

Raytheon Professional Services delivers customized learning solutions that transform workforce performance. Our recognized leadership in end-to-end training reflects our ability to build learning solutions that are aligned with key business objectives, and deliver a rich learning experience. Our results are based on the strategic relationships we develop with our customers, and a deep understanding of:

## MEASURABLE RESULTS.

We understand that learning must drive real business outcomes, not just check boxes.

## RIGHT SOLUTION, RIGHT TIME.

Situations change. Flexible and scalable learning solutions need to keep up. Sometimes, they even lead the way to transformation.

## EXPERIENCE HAS NO SUBSTITUTE.

Across countries, teams, markets and time zones, our experience spans a variety of “no fail” environments.

## GLOBAL REACH. LOCAL PRESENCE.

Dispersed workforce? Diverse cultures and locations? No problem. We operate in 153 countries and 35 languages.

## ADAPTABLE TECHNOLOGY.

It’s not technology for technology’s sake. Our experts understand the right fit is important—for today and tomorrow.

## YOUR SUCCESS IS OUR SUCCESS.

We consistently receive industry recognition and awards for the outstanding work that we do. So do our clients. That’s win-win.
