SECTION 2 - MOBIS SPECIAL ITEM NUMBERS (SINS)

874 1 INTEGRATED CONSULTING SERVICES

Contractors shall provide expert advice, assistance, guidance or counseling in support an agency's mission-oriented business functions. Services covered by this SIN are:

- Management or strategy consulting, including research, evaluations, studies, analyses, scenarios/simulations, reports, business policy and regulation development assistance, strategy formulation, and expert witness services
- Facilitation and related decision support services
- Survey services, using a variety of methodologies, including survey planning, design, and development; survey administration; data validation and analysis; reporting, and stakeholder briefings
- Advisory and assistance services in accordance with FAR 37.203

874 6 ACQUISITION MANAGEMENT SUPPORT

Contractors shall provide professional support services to agencies in conducting federal acquisition management activities. Services covered by this SIN are:

- Acquisition planning assistance, including market research and recommending procurement strategy: acquisition document development, including cost/price estimates, quality assurance surveillance plans, statements of work, synopses, solicitations, price negotiation memoranda, etc.
- Expert assistance in supporting proposal evaluations, including price/cost analysis or technical proposal analysis
- Contract administration support services, including assistance with reviewing contractor performance, developing contract modifications, and investigating reports of contract discrepancies
- Contract close-out assistance
- Competitive Sourcing support, including OMB Circular A-76 studies, strategic sourcing studies, privatization studies, public-private partnerships, and Federal Activities Inventory Reform (FAIR) Act studies. Inherently Governmental services as identified in FAR 7.503 or by the ordering agency are prohibited under MOBIS. It is the responsibility of the Contracting Officer placing the order to make this determination. Ordering activities must require prospective contractors to identify potential conflicts of interest and address those, prior to task order award. For more information, see www.gsa.gov/mobis.

874 7 PROGRAM AND PROJECT MANAGEMENT

Contractors shall provide services to assist agencies in planning, initiating, managing, executing, and closing out mission-oriented business programs and projects. Services included are:

- Project leadership and communications with stakeholders
- Project planning and scheduling
- Earned value management support
- Project management, including performance monitoring and measurement
- Reporting and documentation associated with project/program objectives
- Stakeholder briefings, participation in required meetings, and related project support services
- Program integration services
- And project close-out services
- All services must be provided and performed under the supervision/management of the contractor's Project Manager or Program Manager.
Orders for services under this SIN without an accompanying Program/Project Manager labor category are prohibited. The primary purpose and preponderance of work for any project awarded under this SIN must be for professional business services. Services covered by other GSA Schedules shall only be included in the project scope if they are directly related to the successful accomplishment of the project and are incidental to the overall effort. It is the responsibility of the Contracting Officer placing the order to make this determination.
**SECTION 3 - LABOR CATEGORY DESCRIPTIONS**

Note: Two years of experience is equivalent to one full-time year of education in an institute of higher learning and vice versa.
